

MEN'S CHALLENGE DAY EVENT

Saturday, 9/23/2023

Registration 8:30 a.m. – Event 9 a.m. to 3 p.m.

The Northern Zone Wesleyan Churches will be hosting a Men's Challenge Day Event taking place at the Mad River Gun Club in Sandy Creek, NY, for all men.

The Men's Challenge is to score the most points for your team as you compete against other men's teams in different events.

There are four events to compete in: Trap Shoot (skeet shooting), Corn Hole, Basketball, and Fly Casting. We are not looking for participants who are skilled in these events. There are no qualifications necessary to participate. In fact, the less skill you have in the events the more challenging it is!

Pastor Dan Talbolt will be our guest speaker and will share a spiritual message for all of us.

The Event is \$20.00 for the day which includes lunch. We hope that you will register to be part of the Men's Challenge Day Event.

All equipment will be provided for the event. Please bring a lawn chair to the event. Any youth participating in the trap shoot must be accompanied with adult supervision.

Sign up for this day's event by Wednesday, September 9/10/2023. Any questions: Please talk to your Pastor or Contact Pastor Ben Mackey at 315-788-1064.
