Thank You—VBS Volunteers

Thank you all for your hard work and dedication you gave so that VBS could be a success. Whether you gave an offering to the church budget, worked to help plan VBS, your time making decorations (including our many youth that came and helped with smiles on their faces and Jesus in their hearts), your time to pray each day for the children, or your time shared with children and families that were impacted through VBS 2023. We want to Thank you! It is good to see our church spreading the Gospel in such a caring and loving way.

Thank You Parents

Thank you parents for sharing your children with us this week at Vacation Bible School. We had a great time as your Children were able to worship God in song, and hearing exciting Bible stories that will help them both now, and in the future to come. They also enjoyed making crafts together, as well as developed new friendships with their classmates, Leaders and Bible School teachers. Once again Thank you for allowing us the privilege of caring for your children and we hope to see everyone back here next year for another amazing VBS.

VBS, Hard Work, But Worth it!

We can't help but wonder if the kids will ever know just how much work goes into everything we do for them. They don't have a clue that all these people have given hours of time so that they will feel loved and have a good time during VBS.

And we think that is the point of it all. This is pure love. Doing for others without expecting in return. Making the week extra special for children because they are extra special. And creating a space where every child is welcomed, cared for and where they can experience God. We hope they never find out how much hard work went into the week. We never want them to, for one-second, wonder if we did it because we, "had" to. And when these little ones smile, laugh, and hug us, we know that when we love, love is always returned. We want you all to know, "It is Totally Worth it"
