Today's Prayer

God, we know that things, possessions, and positions in this world will not satisfy us like you alone can.

Help us to drink exclusively from your well, to trust in you to satisfy our souls. So O God, we do this with joy. We praise you for making the wells of salvation available to us, that we might have our souls filled up with your satisfaction.

All Glory be to your name.

In Jesus' Name We Pray, Amen

Isaiah 12:3

"With joy you will draw water from the wells of salvation." This is a reality, an invitation for every single one of us. That God has made salvation possible for us, by his grace. So we know, based on the New Testament, that salvation is possible through Christ, through what he's done on the Cross for us. His salvation is available, and it is well.

Just think about what Jesus says in the book of John. He says, "I'm the bread of life. Those who come to me will never go hungry. He who believes in me will never be thirsty," What he tells the women at the well, when he says, "I can give you living water that will satisfy you forever." Just think about it. Today, you and I can draw water from the wells of salvation with joy.

The first time we came to faith in Christ, we're forgiven of our sins, we drew water from the well of salvation; but you know, the beauty is the next day, there was more water to be drawn, and the next and the next. That will be the case for all eternity.

For all of eternity with joy, we will be able to drink in the satisfaction that's found in God. The wonder and abundance that's found in Christ. Therefore with joy, we just keep drawing every day.

Therefore with
JOY
shall ye draw water
out of the wells of
salvation. ISAIAH 12:3
