Today's Prayer

Heavenly Father, You are the one I adore. I sing my praises to you and thank you for your love. I come to you for help, because I know you can deliver me. No matter the problems, no matter the timing, you are the one who has the power to overcome. Be with me and strengthen me. I pray that you would put within me and within my brothers and sisters the same kind of passion to seek you, that is required of true followers. Help me, help us, to seek you with all our hearts and find the fullness of soul that you have for us.

In Jesus' name, Amen

Seeking The Lord

We can seek the Lord's presence continually by actively pursuing a relationship with Him. This can involve spending time in prayer, reading the Bible, worshiping and engaging in spiritual practices that help us connect with God daily. We can develop a closer relationship with the Lord by seeking His presence with a sincere heart and a desire to know Him more intimately.

Additionally, seeking the Lord's presence continually requires us to prioritize our relationship with Him above all else. This means making time for God in our daily lives, allowing His presence to guide us in our decisions, and seeking His will in all that we do. We can experience God's continual presence and guidance by keeping our focus on Him and inviting Him into every aspect of our lives.

Lastly, seeking the Lord's presence continually involves being intentional in our pursuit of Him. This requires a commitment to seeking Him even when we don't immediately feel His presence, trusting that He is always near and faithful to draw close to those who seek Him. We can experience the joy and peace that comes from knowing that we are always in His presence by setting our hearts and minds on God.

1 CHRONICLES 16:11

Seek the LORD and his strength,

SEEK HIS FACE

continually.
