Today's Prayer

Our heavenly Father, we stand in awe of the Wonder of You. We thank you for Your unconditional love for us. We are filled with wonder at the majestic splendor that surrounds us. As beauty and brightness glow, in the magnificent blossoms, teach us to radiate Your Love. Jesus, we honor, praise and worship Your Holy name!

In Jesus' Name, Amen

Love Life

Arthur Rubinstein, a famous pianist, was asked the secret of his success. Was it dedication, ability, discipline, hard work?

Mr. Rubinstein smiled. "It's hard to say, but one thing I do know: If you love life, life will love you back!"

What a wonderful insight! That philosophy explains how a man of eighty-three can continue to be so creative. Life is filled with exciting blessings for everybody. They're ours if we give enough of ourselves to life.

The giving starts when we get up in the morning. One person I know begins everyday repeating some verses from the Bible. Then he talks more directly to God: "Lord, you've watched over me through the night. Now help me do something really great with this day."

Watch what happens to members of your family when you begin the day with a glow of good feelings and joy. They'll catch it, too. The same will hold true for the people you encounter all day long — in the office, at the restaurant, on the bus, in the elevator, at the grocery store. Love life — and life will love you back.

I will speak of the
glorious honour
of thy
majesty.
