Today's Prayer

Heavenly Father, When my dreams feel distant and the path ahead seems blocked, doubt whispers, "Impossible." But I cling to your powerful truth: with you, all things are possible. Remind me, Lord, of your miraculous works. You are a God of wonders. Help me surrender my fears and believe that you can transform my challenges into opportunities for your power to shine brighter than ever before. Thank you for being my constant, limitless God. Thank you that with you, even the impossible becomes a possibility. In Jesus' name, Amen

The Morning Message

Reverend Ronald Pickett

With God All Things Are Possible

Have you ever faced a situation that seemed utterly impossible? A problem so big, a dream so far out of reach, a challenge so overwhelming that you couldn't see a way forward? If we're honest, we've all been there. And It's precisely in those moments that Jesus' words in Matt. 19:26 become a lifeline.

"With God," Jesus says, "all things are possible." Not some things, not just the easy things, but all things. This isn't a trite saying or a hollow promise. It's a declaration of the very nature of the God we serve. A God who is not limited by what we see as limitations. A God who specializes in the impossible.

When we truly grasp this truth, it changes everything. It means that no matter what we're facing, we have a God who is bigger. It means that our impossible situations are simply opportunities for Him to display His power. It means that when we've reached the end of our own strength and wisdom, His are just beginning.

So today, whatever impossible situation you're facing, bring it to God. Not with a spirit of resignation, but with a heart full of expectation. Because the God who spoke the universe into existence, the God who raised Jesus from the dead, the God who has parted seas and moved mountains—that same God is with you. And with Him all things are possible.
