Today's Prayer

Heavenly Father, give us the heart of Moses, who cared only to see Your glory. We pray for our Church Family that they may strongly desire to know You. That they would be willing to sacrifice time and energy just to be assured You are pleased with them. Above all, give them a holy desire to glorify You in their private lives, in their public lives and in all their associations. May You be their most prized treasure. Today, show us Your glory through Your Word and help us to reflect this glory to others.

In Jesus' name, Amen

How To Glorify God

God is glorified in our willing obedience to the wisdom of His commandments. To be in God is to trust His Word, and to trust His Word is to obey and follow Him.

When we grow in our knowledge, love and fellowship with God, obeying Him and allowing our lives to be conformed to the likeness of Christ, we will glorify living in union with Him as the most satisfying joy, freedom and delight.

Jesus invited others to enter the blessings of His Kingdom and taught the narrow way for all would-be disciples. His message proclaimed the grace and mercy of God while also boldly praising the righteous way of life.

Our life of prayer expresses a humble dependence upon God for all things, including praises and petitions. We take our needs before the throne of God—both for ourselves and for others.

Jesus humbled Himself to serve and bless the spiritual and physical needs of others. He healed, fed the hungry, and treated sinner and social outcasts with compassion and dignity—viewing all people as made and loved in the image of God.

When you make every day an intention to glorify God, you fulfill the purpose for which you were created. Glorifying God leads us to a life filled with joy. It helps us live in a growing relationship with the One who created you. Worshiping the Lord, spending time with him and sharing the gospel are a just a few more ways we can glorify God daily.
