Today's Prayer

I thank you Lord for the gift of prayer. It is a privilege to be able to come to you with our requests, hopes and burdens and lay them down before you.

Thank you that you hear our prayers and answer them according to your will and not our desires, because you know what is best for us and have the perfect plan for our lives.

In Jesus' Name, Amen

1 John 5:14

It is a privilege to be able to come to God and ask him anything. He wants to know what is on our minds and hearts. Just like any other relationship, openness and communication is important. When it comes to our relationship with God, it's no different. Just like this verse says, when we come and ask anything according to God's will, he will hear us.

God will always hear and answer our prayers. God's answer won't always be what we want. Sometimes God may tell us no or wait. We might think we know what is best for us, but the truth is God knows even better! We must remind ourselves that God is in control in our lives.

I love how we can pray at anytime. We don't have to do anything special or be in a certain place, we can just pray wherever we are and we can talk to God just like we would talk to a friend. No matter how big or small our requests are, God wants to hear them and He wants us to give Him all that is on our heart because he loves and care for us.

May we trust Him when we pray, because He knows us even better than we know ourselves.

THIS IS THE CONFIDENCE
THAT WE HAVE IN HIM,
that, if we ask any thing
ACCORDING TO HIS WILL,

he heareth us.
