Today's Prayer

Thank you Lord, for the blessings you have bestowed on my life. You have provided me with more than I could ever have imagined. You have surrounded me with people who always look out for me. You have given me family and friends who bless me every day with kind words and actions. They lift me up in ways that keep my eyes focused on you and make my spirit soar. I pray that you remind me of just how blessed I am and that you never allow me to forget to show my gratitude in prayer and returned acts of kindness.

In Jesus' name, Amen

2 Samuel 22:50

David is remembering all the things God has done for him. He is remembering how God protected and set him free from his enemies, and helped him defeat other nations. Since God had done all those things, David is choosing to praise God everywhere he goes and to continually sing praises to Him.

When a person has something good happen to them, they want to tell other people. They are not quiet about it, when they go to work, they tell their co-workers. They also post it on facebook, instagram, twitter, and other social sites.

As a believer, you also have had good things happen to you. God has done great things to and for you. Along with salvation God has given you, there are other ways God has blessed you. You got up this morning, you can breathe and you can move.

Do not be like most of the world and take all of these things for granted. Realize how much God has blessed you. Once you realize, tell everyone you meet. Praise God wherever you go. Let the world know of your love for God. Have a song of praise on your lips at all times. He is worthy!

I will give thanks
unto thee,

O Lord.
