Palm Sunday

Palm Sunday is a Christian holiday that occurs on the Sunday before [Easter](#). It celebrates Jesus' triumphal entry into Jerusalem, when he was greeted by people waving palm branches. This event serves as a reminder for Christians to welcome Jesus into their hearts and be ready to follow Him.

Jesus entered the city knowing He would be tried and crucified and welcomed His fate to rise from the grave and save us from sin! Palm Sunday marks the beginning of [Holy Week](#), the remembrance of Jesus' last days.

It also reminds us that the reign of Christ is far greater than any man's mind could ever conceive or plan. Man looked for someone to fight their battles in the present-day world. Yet God had the ultimate plan of sending His Son to fight the final battle over death. This is the greatness of why we celebrate this week. We can be free of death because of Christ's ultimate sacrifice.

Let us praise God for sending His Son to earth, Jesus' sacrifice for our sins, and our eternal life in Christ through faith.

Create in me a clean heart,

O God.
