Today's Prayer

Dear Lord, We pray that you will use us to lead somebody to Jesus. Lord, what an awesome day that would be. Help us to live toward that end. And in this, Lord, we pray that you help us to make the most of this day, to rejoice and be glad in it. For you are the one who created it, made it and has given it to us.

In Jesus' Name, Amen

The Morning's Message

Reverend Brian Snyder

Let Us Rejoice and Be Glad

This is the day the Lord has made, let us rejoice and be glad in it. (Psalm 118:24) The psalmist would encourage us to see everyday as a gift from God to us. Today is not an accident and it is not incidental. God wants to be in the midst of this day with us. He wants to help us make it the best day that it can be. He wants each day to be productive and something that will give us strength and encouragement to face the challenges of tomorrow.

We need to be grateful for the day that we have had. This day was a day that we had the opportunity to worship, to maybe work a little, to share and possibly to witness to someone. We need to rejoice in this day, for in it we have the opportunity to both give and to be given to.

We might be facing the toughest of times right now, but the truth is this. He's still given us breath for today. Jesus came to give us hope and freedom. He's the very reason we can live with joy right in the battles and have peace that is unexplainable.

He's with us and will never leave or forsake us. He gives us the strength to face every trial and obstacles with courage and grace. No matter what you're up against, be confident in God's unchanging love for you, always.

THIS IS THE DAY THE
LORD
HAS MADE

Psalms 118:24
