Today's Prayer

As we rejoice in the miracle of Easter, we lift our prayers for those who may be struggling, lonely, or in despair. May your comforting presence be with them, bringing healing and hope. Use us, Lord, as instruments of your peace and vessels of your love in the world. We dedicate this Easter Sunday to you, grateful for the promise of redemption and the assurance to your unfailing love. May our lives be a testament to the power of your resurrection as we seek to follow you faithfully. In the precious name of Jesus, we pray, Amen.

Love To The Fullest

Love to the fullest once roamed our earth. He arrived here by means of a heavenly birth.

From the very beginning most everyone knew there was something so special this child would do.

As time would prevail He became a man, teaching us love from God's own hand.

Though to some He knew He would be such a dread. They never could rest until He was dead!

He knew His own fate from beginning to end. He knew and still loved His betraying friend.

He carried His cross using His own two feet to die for our sins and our total defeat.

Why did He do It? No reason but love!
He wanted to help us to heaven above.

Who was this man with such merciful love?
None other than Jesus, our Savior above!

Patricia Cisco
