Today's Prayer

May you recognize the depth of God's love for you and that this love will be a reminder of how we should love one another. May we be willing to serve and care for the needs of others, knowing that our God has done the same. There is no greater love than this! May we always be mindful of the great love that he has had for us that he would give his life for us. God, help me to never take your love for granted.

In Jesus' name, Amen

What Does It Mean To Lay Down Your Life?

The Bible has a lot to say about Friendship. Jesus modeled it perfectly. He poured his life out for his friends. His focus was on forgiveness, friendship and the fruit of walking in love with him. The Bible is clear that Jesus is the model for selfless love; this is shown by Jesus giving up His own innocent life to save undeserving sinners.

The fruits of the Spirit, products of a godly life, are fostered through the grace given to us through salvation in Christ, alone. To be selfless; in a world consumed with self-care, self-love, and self-confidence, Christ calls us to run a race in the opposite direction. He calls us to be God-reliant, to love God and others, and embrace his provision and allow him to sustain us. Laying down our lives for others is to live a Christ-centered life, and foster Christ-centered relationships. To listen to one another, learn about, remember and encourage one another.

God purposely places us in the generation we live in, amongst the people in our lives. When we notice who they are, through the filter of Jesus, we are able to love them as we are called to. Laying down our lives is refusing to worry about what tomorrow will bring because we understand only God knows. It's trusting Him to prepare, lead, and provide for us as we work for His Kingdom.
