Hope

Father, thank you for hope. Thank you for its light in the darkness. Thank you that no matter how hard the night, You are with me. My situation and circumstances may look dark, but I know You not only go before me, but You also walk with me. As I pray, please fill me with even more hope. I trust You, God, even in the midst of this seemingly hopeless season. I know my hope is in You and that the victory is already Yours.

In Jesus' name, Amen.

Where Does Your Hope Come From?

Jesus gives hope, the same Jesus that lived and died and lives again in us, his followers, his church. He is alive today, in the midst of our turmoil and struggle. He is here, and He has not changed.

Our God is alive today and sees what is happening in our world. If we can trust in the Prince of Peace, then maybe we can see it happen. Maybe we can see His Kingdom come, on the earth as it is in Heaven. But first, we must remember our hope in Christ. We start with our hope in Jesus, because in Him, “all things hold together”. (Colossians 1:17)

God knows everything that is happening in your life today and is waiting for you to place all of your hope and trust in Him alone. He is the God that cannot fail.

Faith is believing in what we cannot see and we need hope in order to visualize the solution. The world is a fearful and unsatisfying place without the hope of knowing that Jesus is our refuge and security.

Hope gives purpose and meaning to our lives and inspires our decisions, emotions, and pursuits. Hope fills us with joy in the midst of trials and fuels our perseverance as we press forward in God's strength.

Thou art my

hope,

O Lord God.
