Today's Prayer

I pray that you would help me to live a life that reflects your love for righteousness and justice. May I always seek to do what is right in your eyes and stand up for justice in this world. I also claim the promise that the earth is full of your loving kindness. May I always be aware of your love and grace that surrounds me and may I share that love with others.

In Jesus Name, Amen

Psalm 33:4-5

“For the word of the Lord is right, and all His work is done in truth. He loves righteousness and justice; the earth is full of the goodness of the Lord.”

Never doubt that God is a good God, and He loves you more than you could possibly imagine.

God doesn't measure out small portion of goodness towards you; He isn't stingy. God's goodness comes in great quantity. He loves to pour out His great goodness in quantities that are exceeding abundantly above all you could ask or think.

The Scripture tells us the earth is full of the goodness of the Lord. Full means there's no space for more. Think about a glass of water, when it's full to capacity, you can't add more.

If the earth is full of the goodness of the Lord, then His goodness toward you is unlimited. God's goodness is infinitely beyond any need or want you might have.

God's goodness is an expression of His love, which is never ending. It is impossible for you to get to the place where God says, “Sorry, you've received too much of My goodness; this is where it ends.” No! The Bible says, “For He is good, for His mercy endures forever.” (2 Chronicles 5:13)

No matter where you are or what you may be facing, you can count on God's righteousness and justice because the earth is full of His goodness.

The earth is
full of the
goodness
of the LORD.
