Today's Prayer

Heavenly Father, help me understand your love more fully. Give me strength to overcome the doubts Satan has tried to plant in my heart. Bless me with your gracious power and transform me out of my own weakness into a useful tool for your service. Keep my eyes fixed on the Lord whose hand will not let the waves claim me nor let my own doubts destroy me.

In Jesus' Name, Amen

Romans 8:38-39—God's Love

God allows nothing to separate us from his love. Paul considers some powerful threats in the universe, but one of them can separate us from the love of God in Christ Jesus our Lord. Don't let suffering cause you to doubt God's love. Suffering is designed to draw you closer to Christ and makes you more like him.

You have nothing to fear. You are secure in God's love; Paul could say this because he endured a multitude of afflictions and nothing separated him from the love of God in Christ Jesus.

Nothing in life or death can stop God from loving us. Nothing in the present or nothing in the future can triumph over the love of God. No power can separate you from the love of God and neither can the heights of space or the depths of the oceans. In case you think you have an exception, Paul ends his list with "nor anything else in all creation." This covers anything else you can possibly think of. Nothing can sever the believer's relationship with God. Nothing can stop God's plan and purpose for you.

What should you do with this passage? First, you should make sure these wonderful truths apply to you. This magnificent promise of God's love is only for those who have a personal relationship with him made possible through faith in Jesus Christ. If you know Christ as your Lord and Savior, you can be confident that God's love for you is unchanging. If you don't know Christ, don't wait, please talk with one of our Pastors.

Nor **HEIGHT**,
nor **DEPTH**,
nor **ANY OTHER**
CREATURE,
shall be able to
separate us from
the love of God,
which is in
Christ Jesus our Lord.
